Dear Judge Calvert:

I am writing to apply for a clerkship in your chambers starting in the fall of 2024, or any subsequent term, for one or two years. I graduated from New York University School of Law in May 2022 and have joined Arnold & Porter as an associate on their litigation team. As a native of Georgia, I am particularly interested in returning home to clerk and serving the community where I was raised.

Enclosed please find my resume, law school, and undergraduate transcripts, and writing sample. The writing sample is a Note that I wrote for Professor Jeremy Waldron's Human Dignity course examining criminal justice reform through a dignitarian lens.

Arriving separately are three letters of recommendations from the following NYU Professors: Erin Murphy (erin.murphy@nyu.edu), for whom I worked as a teaching assistant; Jeremy Waldron (jeremy.waldron@nyu.edu), my Note supervisor; and my Brennan Center Clinic seminar professor Yuriy Rudensky (rudenskyy@brennan.law.nyu.edu), in collaboration with my fieldwork supervisor Gowri Ramachandran (ramachandrang@brennan.law.nyu.edu).

If there is any other information that would be helpful to you, please let me know. I would welcome the opportunity to interview with you and look forward to hearing from you soon. Thank you for your consideration.

Respectfully,

Rayne H. Ellis

The Honorable Victoria M. Calvert
U.S. District Court for the Northern District of Georgia
Richard B. Russell Federal Building and U.S. Courthouse
75 Ted Turner Drive SW
Atlanta, GA 30303

Dear Judge Calvert:

Please consider my application for a one or two-year clerkship in your chambers beginning in 2024. I graduated Order of the Coif from UC Davis School of Law in 2022. I am currently serving a two-year term as a staff attorney with the Eleventh Circuit Court of Appeals in Atlanta, Georgia. I hope to continue living and working in Atlanta in the future.

I am dedicated to using my legal education and experience to serve the public interest. I am particularly interested in working in civil rights litigation. Therefore, I would appreciate the chance to learn more about the decision-making process at the district court level.

I believe my past experience has prepared me to meaningfully contribute to your work. As a staff attorney with the Eleventh Circuit, I have gained substantive knowledge of a wide range of areas of law while refining my research and writing skills. I am also currently developing specialized knowledge of federal jurisdiction as an attorney with my office's jurisdiction unit.

My resume, unofficial transcripts, writing sample, and letters of recommendation are submitted with this application. Additionally, one of the supervisors at my current office, Adam Blank, has agreed to serve as a reference. He can be contacted at (404) 335-6436 or adam_blank@ca11.uscourts.gov.

Please let me know if I can provide any additional information. Thank you for your consideration.

Respectfully,

Caroline Perris

IN ACCORDANCE WITH THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT, THIS TRANSCRIPT IS ISSUED ON THE CONDITION THAT IT IS NOT TO BE RELEASED TO A THIRD PARTY WITHOUT THE STUDENT'S WRITTEN PERMISSION.

The University of Puget Sound was founded in 1888. It was known as the College of Puget Sound from 1913 to 1960, when it again became the University of Puget Sound. The University is fully accredited by the Northwest Commission on Colleges and Universities, an institutional accrediting body recognized by the United States Department of Education and by the Council for Higher Education Accreditation.

CREDIT VALUE

Prior to Fall 1969, the University of Puget Sound operated on a semester calendar and granted credit in semester hours. From Fall 1969 through Spring 1984, the University operated on a 4-1-4 calendar and granted credit in units, with one unit as the equivalent of $3\frac{1}{2}$ semester credits or 5 quarter credits. Beginning Summer 1984, the University returned to a semester calendar, granting credit in units, with one unit as the equivalent of 4 semester credits or 6 quarter credits.

DEGREE REQUIREMENTS

Prior to Fall 1969, 125 semester credits were required for graduation. From Fall 1969 to Fall 1971, 35 units plus 4 PE activities were required for graduation. From Fall 1971 to Spring 1984, 36 units were required for graduation, with a maximum of 2 activity units allowed within the 36. Beginning Summer 1984, 32 units are required for graduation, with a maximum of 1.5 activity units allowed within the 32. Beginning Fall 1984, activity overload grades are excluded from the grade point average. To help track degree progress of students enrolled under both the 4-1-4 calendar (36-unit degree) and semester calendar (32-unit degree), units earned prior to Summer 1984 were converted by a factor of 8/9. (The conversion factor derives from the change in units required from 36 to 32. Note that $32/36=8/9$.) This conversion notation on the transcript is solely for the purpose of internal University degree-tracking. For purpose of transfer, unit equivalencies described above in Credit Value apply. Beginning in Fall 2011, 32 units are required for graduation, with a maximum of 2 activity units allowed within the 32.

END-OF-TERM TOTALS

Totals computed at the end of each academic term's work prior to Fall 1979 were (reading from left to right): (1) cumulative grade point average, (2) cumulative units earned, (3) term grade point average, and (4) term units earned. Beginning Fall 1979 term (top line) and cumulative (bottom line) totals are: (1) grade point average, (2) units earned, (3) grade points, and (4) graded units.
